ALIEN™

Time: the future
Place: the commercial towing vehicle "Nostromo", a gigantic Mineral Ore Refinery being tugged across the galaxy. Its crew, five men, two women, and one cat, are deep in hyper-sleep . . .

Continued on card no. 5

5

ALIEN™

On the bridge of "Nostromo", two sophisticated star helmets begin exchanging data as the long-silent spaceship slowly stirs to life.

Continued on card no. 6

7

ALIEN™

After months of cold sleep, Captain Dallas and his crew rise from the tomb-like bed chambers and stretch their stiffened muscles.

Continued on card no. 8

8

ALIEN

As commander of the "Nostromo" and its crew, Captain Dallas blends discipline with humanity during his extended assignment in outer space.

Continued on card no. 9

9

ALIEN

Ripley is second-in-command to Dallas aboard the "Nostromo". She is a young woman, extremely intelligent and sensitive to the needs and safety of her crewmates.

Continued on card no. 10

10

ALIEN™

Brave and inquisitive, Kane is the kind of fair-minded senior officer most workers in deep space dream of serving under.

Continued on card no. 11

11

ALIEN

Coldly scientific. Mysterious. Reclusive. These words best describe Science Officer Ash, a last minute addition to the crew of "Nostromo".

Continued on card no. 12

12

ALIEN

An emotional, occasionally highstrung young woman, Lambert is nevertheless an expert navigator and a valued member of the "Nostromo" team.

Continued on card no. 13

13

ALIEN

Parker is bitter, unhappy with his current assignment in space and a frequent complainer to Officer Ripley about the working conditions aboard "Nostromo".

Continued on card no. 14

14

ALIEN™

Practically an extension of his boss, Parker, Brett rarely displays any individuality and has little to say about things in general. His favorite response is "Right".
